

# Make a space your own...

with comfort and flair from the new Shoosh range,  
exclusive to Design4Work.

Hi-Zone two seater

The all new Shoosh range will allow you to truly express your individuality and style in your workspace, client zones or even your home. You can customize colours or mix and match pattern fabrics to add a new level of vibrancy to your spaces.

An innovative design feature of the Shoosh Hi-Zone range creates a space that allows relaxation, privacy and comfort—a zone that is truly your own.
